How can you help?

Join the **PTSO**... we are counting on your help! You can **volunteer and support the PTSO by sponsoring events**. We work hard so our kids have the best experience every day at school! We are very appreciative of the excellent teachers who make it a pleasure to learn! And we are most thankful for all the support from our parent volunteers.

What does the PTSO do to support the school and students?

School lunch plays a critical part in keeping our kids ready, willing and healthy for a great learning day! We thank all our parent volunteers who go above and beyond to balance work and school volunteering so all students can get lunch at school. We all hold regular jobs and carve out time to ensure that our students are happy and ready to learn. We also need help with **keeping the school looking good** and can save on big dollars that can go to the school for other academic and enrichment programs

How do we support students and school programs?

We give back to the school and students by supporting **Clubs** via our **Grant Programs**. RTHS students are recognized for their individual and team achievements at local, state and national level competitions.

From **Brain Game** to **Robotics**, **Cross Country** to **Soccer**, **Math Club** to **Science Olympiad**, and **Debate** to **Foreign Languages** ...

RTHS students, teachers and coaches were recognized for all their efforts. We could not achieve this without the help of all parents who drove teams to competitions and events. We also need parent coaches to support teachers and clubs!

We need your help to raise funds for **sports events** and **sponsorships for academic programs**. We do that through your support at the **Annual Silent Auction**, **Capital Fundraising**, and **Clubs**.

Routine activities such as **transportation** and **parking** are managed and monitored with partnership and teamwork between the PTSO and the school.
