Today, officials of the National Merit Scholarship Corporation (NMSC) announced the names of the 2023 Semifinalists in the 2023 National Merit Scholarship Program. These academically talented high school seniors have an opportunity to continue in the competition for National Merit Scholarships that will be offered next spring. To be considered for a Merit Scholarship award, Semifinalists must fulfill several requirements to advance to the Finalist level of the competition.

Please join us in congratulating our nine Raptors who have received National Merit Semifinalist recognition. We are so proud of them and wish them luck as they continue in the competition!
